Cookie Policy

This is the Cookie Policy for Skillbee, accessible from https://skillbee.com/

We believe in being open and clear about how we use your information. In the spirit of transparency, this Policy provides detailed information about how and when we use cookies on our Websites. This cookie policy applies to any skillbee.com product or service that links to this policy or incorporates it by reference.

What Are Cookies

As is common practice with almost all professional websites this site uses cookies, which are tiny files that are downloaded to your computer, to improve your experience. This page describes what information they gather, how we use it, and why we sometimes need to store these cookies. We will also share how you can prevent these cookies from being stored however this may downgrade or 'break' certain elements of the site's functionality.

How We Use Cookies

We use cookies for a variety of reasons detailed below. Unfortunately, in most cases, there are no industry standard options for disabling cookies without completely disabling the functionality and features they add to this site. It is recommended that you leave on all cookies if you are not sure whether you need them or not in case they are used to provide a service that you use.

Disabling Cookies

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling cookies will affect the functionality of this and many other websites that you visit. Disabling cookies will usually result in also disabling certain functionality and features of this site. Therefore it is recommended that you do not disable cookies.

The Cookies We Set

Skillbee.com may have some cookies for its own analytics i.e. analytics not part of Google Analytics. Such cookies help generate statistics and reports about visitors and their activities on the website or app. We do not use any first-party cookies.

- Forms related cookies
  When you submit data through a form such as those found on contact pages or

comment forms cookies may be set to remember your user details for future correspondence.

Third-Party Cookies

In some special cases, we also use cookies provided by trusted third parties. The following section details which third-party cookies you might encounter through this site.

Third-party analytics are used to track and measure the usage of this site so that we can continue to produce engaging content.

- We use firebase-analytics which only stores cookies. For Analytics we use **euFormComplete**, which is used to send an event to our analytics dashboard on successful form submission.

Please note that by submitting the contact form, you are giving us permission to process the data which is stored on our end. This includes your contact details.

These third-party services are outside of the control of the Commission. Providers may, at any time, change their terms of service, purpose, use of cookies, etc.

More Information

Hopefully, that has clarified things for you, and as was previously mentioned if there is something that you aren't sure whether you need or not it's usually safer to leave cookies enabled in case it does interact with one of the features you use on our site.
